Albert C. Wiltshire  
Chairman  
Board of Directors  
Interfaith Medical Center, Inc.  
1545 Atlantic Avenue  
Brooklyn, New York 11213

Dear Mr. Wiltshire:

The Department of Health (The Department) has completed a review of the plan of correction dated April 1, 2013 relating to the proposed revisions to the management contract dated November 29, 2012 between Interfaith Medical Center (IMC) and Kurron Shares of America, Inc. (Kurron). The management contract, as revised, is unacceptable because it fails to meet the applicable regulatory requirements as set forth in 10NYCRR 405.3(f). Therefore, the proposed plan of correction is not approved.

IMC continues to be in violation of 405.3(f)(2) Administration. IMC must immediately submit a plan of correction on or before May 10, 2013, removing Kurron Shares of America, Inc. ("Kurron") from any management role at the facility and assuring that any management functions that may have been performed by Kurron have been delegated by the governing body of Interfaith Medical Center to appropriate employees of Interfaith Medical Center, who shall be paid directly by Interfaith Medical Center and not pursuant to any type of management contract/agreement.

The Plan of Correction must include an official copy of the Board minutes showing that such actions have been taken. Failure to file a Plan of Correction indicating that these corrective measures have been taken may result in potential enforcement actions.

Sincerely,

Karen Westervelt  
Interim Deputy Commissioner  
Offices of Primary Care and  
Health Systems Management
